AppleCare® for Apple TV **\$29**
2 years of protection.

AppleCare

Service and support from the people who know your Mac best.

Every Mac comes with a one-year limited warranty and 90 days of telephone technical support.¹ The AppleCare Protection Plan for Mac extends your coverage to three years from the original purchase date of your Mac.²

See pricing on each page.

AppleCare Protection Plan benefits are in addition to any legal rights provided by consumer protection laws in your jurisdiction. The company obligated under the AppleCare Protection Plan in the United States is AppleCare Service Company, Inc., an Arizona corporation and wholly owned subsidiary of Apple Inc., doing business in Texas as Apple CSC Inc. Purchase of the plan is not required to purchase the covered equipment. For complete details, see terms at www.apple.com/legal/sales-support/applecare/appgeos.html. 1 Local telephone fees may apply. Telephone numbers and hours of operation may vary and are subject to change. 2 See terms at www.apple.com/legal/sales-support/applecare/appgeos.html for full details.

iPad Air Smart Case \$79

Designed specifically for iPad Air, this Smart Case provides an elegant aniline-dyed leather covering, protecting the back as well as the screen. Yet it maintains the thin and light design of iPad Air.

Lightning to 30-pin Adapter \$39

This 0.2 m long cabled adapter lets you connect devices with a Lightning® connector to many of your 30-pin accessories. Some 30-pin accessories not supported.

Lightning to USB Camera Adapter \$29

Use this adapter to import photos and videos from a digital camera to your iPad Air 2, iPad Air, iPad mini 3, iPad mini 2 or iPad mini with Lightning connector. The Lightning to USB Camera Adapter supports standard photo and video formats, including JPEG and MPEG-4.

Lightning to USB Cable \$19

This USB 2.0 cable connects your iPhone, iPad, or iPod with Lightning connector to your computer's USB port for syncing and charging or to the Apple USB Power Adapter for convenient charging from a wall outlet.

Lightning to VGA Adapter \$49

Share what's on your iPad or iPad mini screen with an even larger audience by connecting it to a TV, monitor, projector, or LCD display that uses a VGA connector.

AppleCare+ for iPad \$99

AppleCare+ for iPad extends your repair coverage and technical support to two years from the original purchase date of your iPad. And it adds coverage for up to two incidents of accidental damage from handling, each subject to a \$49 service fee plus applicable tax.¹

Lightning to SD Card Camera Reader \$29

Use this adapter to import photos and videos directly from your camera's SD card to your iPad with Retina display or iPad mini via the Lightning connector.

iPad mini Smart Cover \$39

A perfect fit, a way to automatically wake iPad mini from sleep, and a stand for viewing and typing — it's smart in more ways than one. Made from soft, durable polyurethane.*

Lightning to Digital AV Adapter \$49

The Lightning to Digital AV Adapter supports mirroring of what is displayed on your device screen — including apps, presentations, websites, slideshows, and more — to your HDMI-equipped TV, display, projector, or other compatible display in up to 1080p HD.

iPad 12W USB Power Adapter \$19

The iPad Air includes a 12W USB Power Adapter for charging directly through an electrical outlet. Purchase this additional adapter to have a second charger for home or office.

¹ Battery life varies by use and configuration. See www.apple.com/batteries for more information. ² Data plan required. LTE is available in select markets and through select carriers. Speeds will vary based on site conditions. For details on LTE support, contact your carrier and see www.apple.com/ipad/LTE.

¹ Service coverage is available only for the iPad and its original included accessories that are defective in materials or workmanship or for battery depletion of 50 percent or more from original specification. The replacement equipment that Apple provides as part of the repair or replacement service may be new or equivalent to new in both performance and reliability.
